Generation 4 Change

G4C
Constructing Excellence

What is G4C?

As a Young Professionals Board of the Constructing Excellence, G4C has a national network which includes:
Yorkshire and Humber, London, North East, Kent, North West, South West, Wales, West Midlands.

The G4C committee members specialise in sectors across the Built Environment which enhances our diversity and opportunities to connect and collaborate with a variety of disciplines, such as:
Contractors, Clients, Project Managers, Architects, Technicians, Mechanical & Electrical Engineers, Quantity Surveyors, Procurement Managers and Marketing Assistants.

"We are a change network challenging and shaping the construction network for future generations"

G4C Awards

- The G4C Awards celebrate innovation and excellence in the construction industry, recognizing the outstanding contributions of young professionals.

- A platform to showcase the talents and achievements of emerging leaders, inspiring others to push the boundaries of creativity and sustainability within construction.

- Winning or even being nominated for a G4C Award can significantly elevate the visibility and credibility of young professionals, opening doors to new opportunities and empowering them to make a lasting impact on the future of construction.

- Currently multiple regions host G4C Awards. Please see the G4C website for an example of current awards and categories - https://g4c.org.uk/awards/2024-north-west-g4c-awards/
